ANNOUNCEMENT

After much thought and sincere reflection, I have decided that the 2025–2026 school year will be my final year teaching preschool. Love to Learn Preschool will officially close as I begin the next chapter of my journey by attending nursing school and pursuing a career in healthcare.

I am deeply grateful for the amazing families who have trusted me with their children over the years. Thank you for your support, your kindness, and the memories we've created together. I will forever hold this chapter close to my heart.

Love,
Ms. Tammy
